Sir,

Sub:- WORKS - Repairs and replacement of certain parts to Lorry MDX 967 - dispensing with tenders - condonation requested.

- - - -

The Municipal Council in its Resolution No.14 dated 14-3-1953 sanctioned an estimate for Rs. 417/- for the work of certain repairs and replacement of parts to Municipal Lorry MDX 967 so as to renew the certificate of fitness which had expired on 31-3-1953. According to the rules for the invitation and disposal of tenders relating to ~~Tenders relating to~~ the supplies of materials, goods etc., tenders were invited fixing 15-4-1953 as the last date for the receipt of tenders as per this Office R.O.C.No.A2-1103/53 dated 1-4-1953. But the Contract Committee in its Resolution No.2 dated 9-4-1953, entrusted the work to M/s. Modern Garage, Udipi, after cancelling the notice inviting tenders in view of the urgency of the work as the lorry was urgently required for departmental use on account of the visit to Udipi on 22-4-1953 of His Excellency the Governor of Madras State.

The repairs to lorry MDX 967 had to be executed and the lorry had to be put in use after renewing the certificate of fitness before the visit of His Excellency the Governor. If the work was entrusted for after the disposal of tenders by the Contract Committee, the lorry would not have been available for production before the Inspector of Motor Vehicles for renewing the Certificate of fitness and execution of departmental use before the visit of His Excellency the Governor. In this connection, kind attention of Government is invited to my note dated 8-4-1953 on page III of the Office Note in file L.Dis.1103/53. File L.Dis.1103/53 containing (4+18) pages is herewith submitted for favour of perusal and return.

In the circumstances explained above, I request that the Government may be pleased to condone the irregularity and issue early orders. Copies of Municipal Council's Resolution No.14 dated 14-3-1953 and Contract Committee's Resolution No.2 dated 9-4-1953 are also submitted.
